**SECTION 6.(b)** G.S. 90-36 reads as rewritten:

### "§ 90-36. Licensing practitioners of other states.

19 The North Carolina State Board of Dental Examiners may issue a license by (a) 20 credentials to an applicant who has been licensed to practice dentistry in any state or territory of the United States if the applicant produces satisfactory evidence to the Board that the applicant 21 22 has the required education, training, and qualifications, is in good standing with the licensing 23 jurisdiction, has passed satisfactory examinations of proficiency in the knowledge and practice of dentistry as determined by the Board, and meets all other requirements of this section and rules 24 25 adopted by the Board. The Board may conduct examinations and interviews to test the qualifications of the applicant and may require additional information that would affect the 26 applicant's ability to render competent dental care. The Board may, in its discretion, refuse to 27 issue a license by credentials to an applicant who the Board determines is unfit to practice 28 29 dentistry.

30 (a1) The North Carolina State Board of Dental Examiners shall issue a license by
 31 credentials to any dentist who applies for a license by credentials and who holds a current license
 32 and is in good standing with the licensing jurisdiction in one of the four states that border North

30 upon a finding by the Board that the licensee fails to limit the licensee's practice to North Carolina
31 or that the licensee no longer actively practices dentistry in North Carolina. However, when a
32 dentist licensed under this section faces possible Board action to void the dentist's license for
33 failure to limit the dentist's practice to North Carolina, if the dentist demonstrates to the Board
34 that out-of-state practice actions were in connection with formal contract or employment
35 arrangements for the dentist to provide needed clinical dental care to patients who are part of an
36 identified ethnic or racial minority group living in a region of the other state with low access to
dental care, the Board, in its discretion, may waive the in-State limitations on the out-of-state
38 practice for a maximum of 12 months."
